Focus of consulting and training work

- Training and coaching in the field of leadership, negotiation, sales and change
- Personal coaching of top managers during job-related personal change
- Organizational development and organizational change
- Realignment of teams and team development e.g. in brand-behavior, customer orientation

My message

- The wicked leader is he who the people despise. The good leader is he who the people revere. The great leader is he who the people say, 'We did it ourselves'.
